PURPOSE: For the Student Government Association of Western Kentucky University to purchase 4x6 index cards to place beside the suggestion boxes in residence halls and to use during programs.

WHEREAS: The cards will provide an effective means of allowing students to express any suggestions they have for the Student Government Association, because the students opinions are very valuable to us, and

WHEREAS: Suggestion boxes do not provide materials with which to place the suggestions, and it would make it more convenient for students to make suggestions on cards instead of using their own materials, and

WHEREAS: It would make it easier on the people reading them since it would be neat and to the point on what we want to know, and Student Government Association could compile a list of complaints from the cards and point them out to Congress, and

WHEREAS: The cards could be used not only at the suggestion boxes but also at tables that Student Government Association will put out during this year and years to come.

THEREFORE: Be it affirmed that the Student Government Association of Western Kentucky University will hereby allocate \$90.00 for suggestion cards to compliment the suggestion boxes already in the residence halls.
